EYHOUNDS

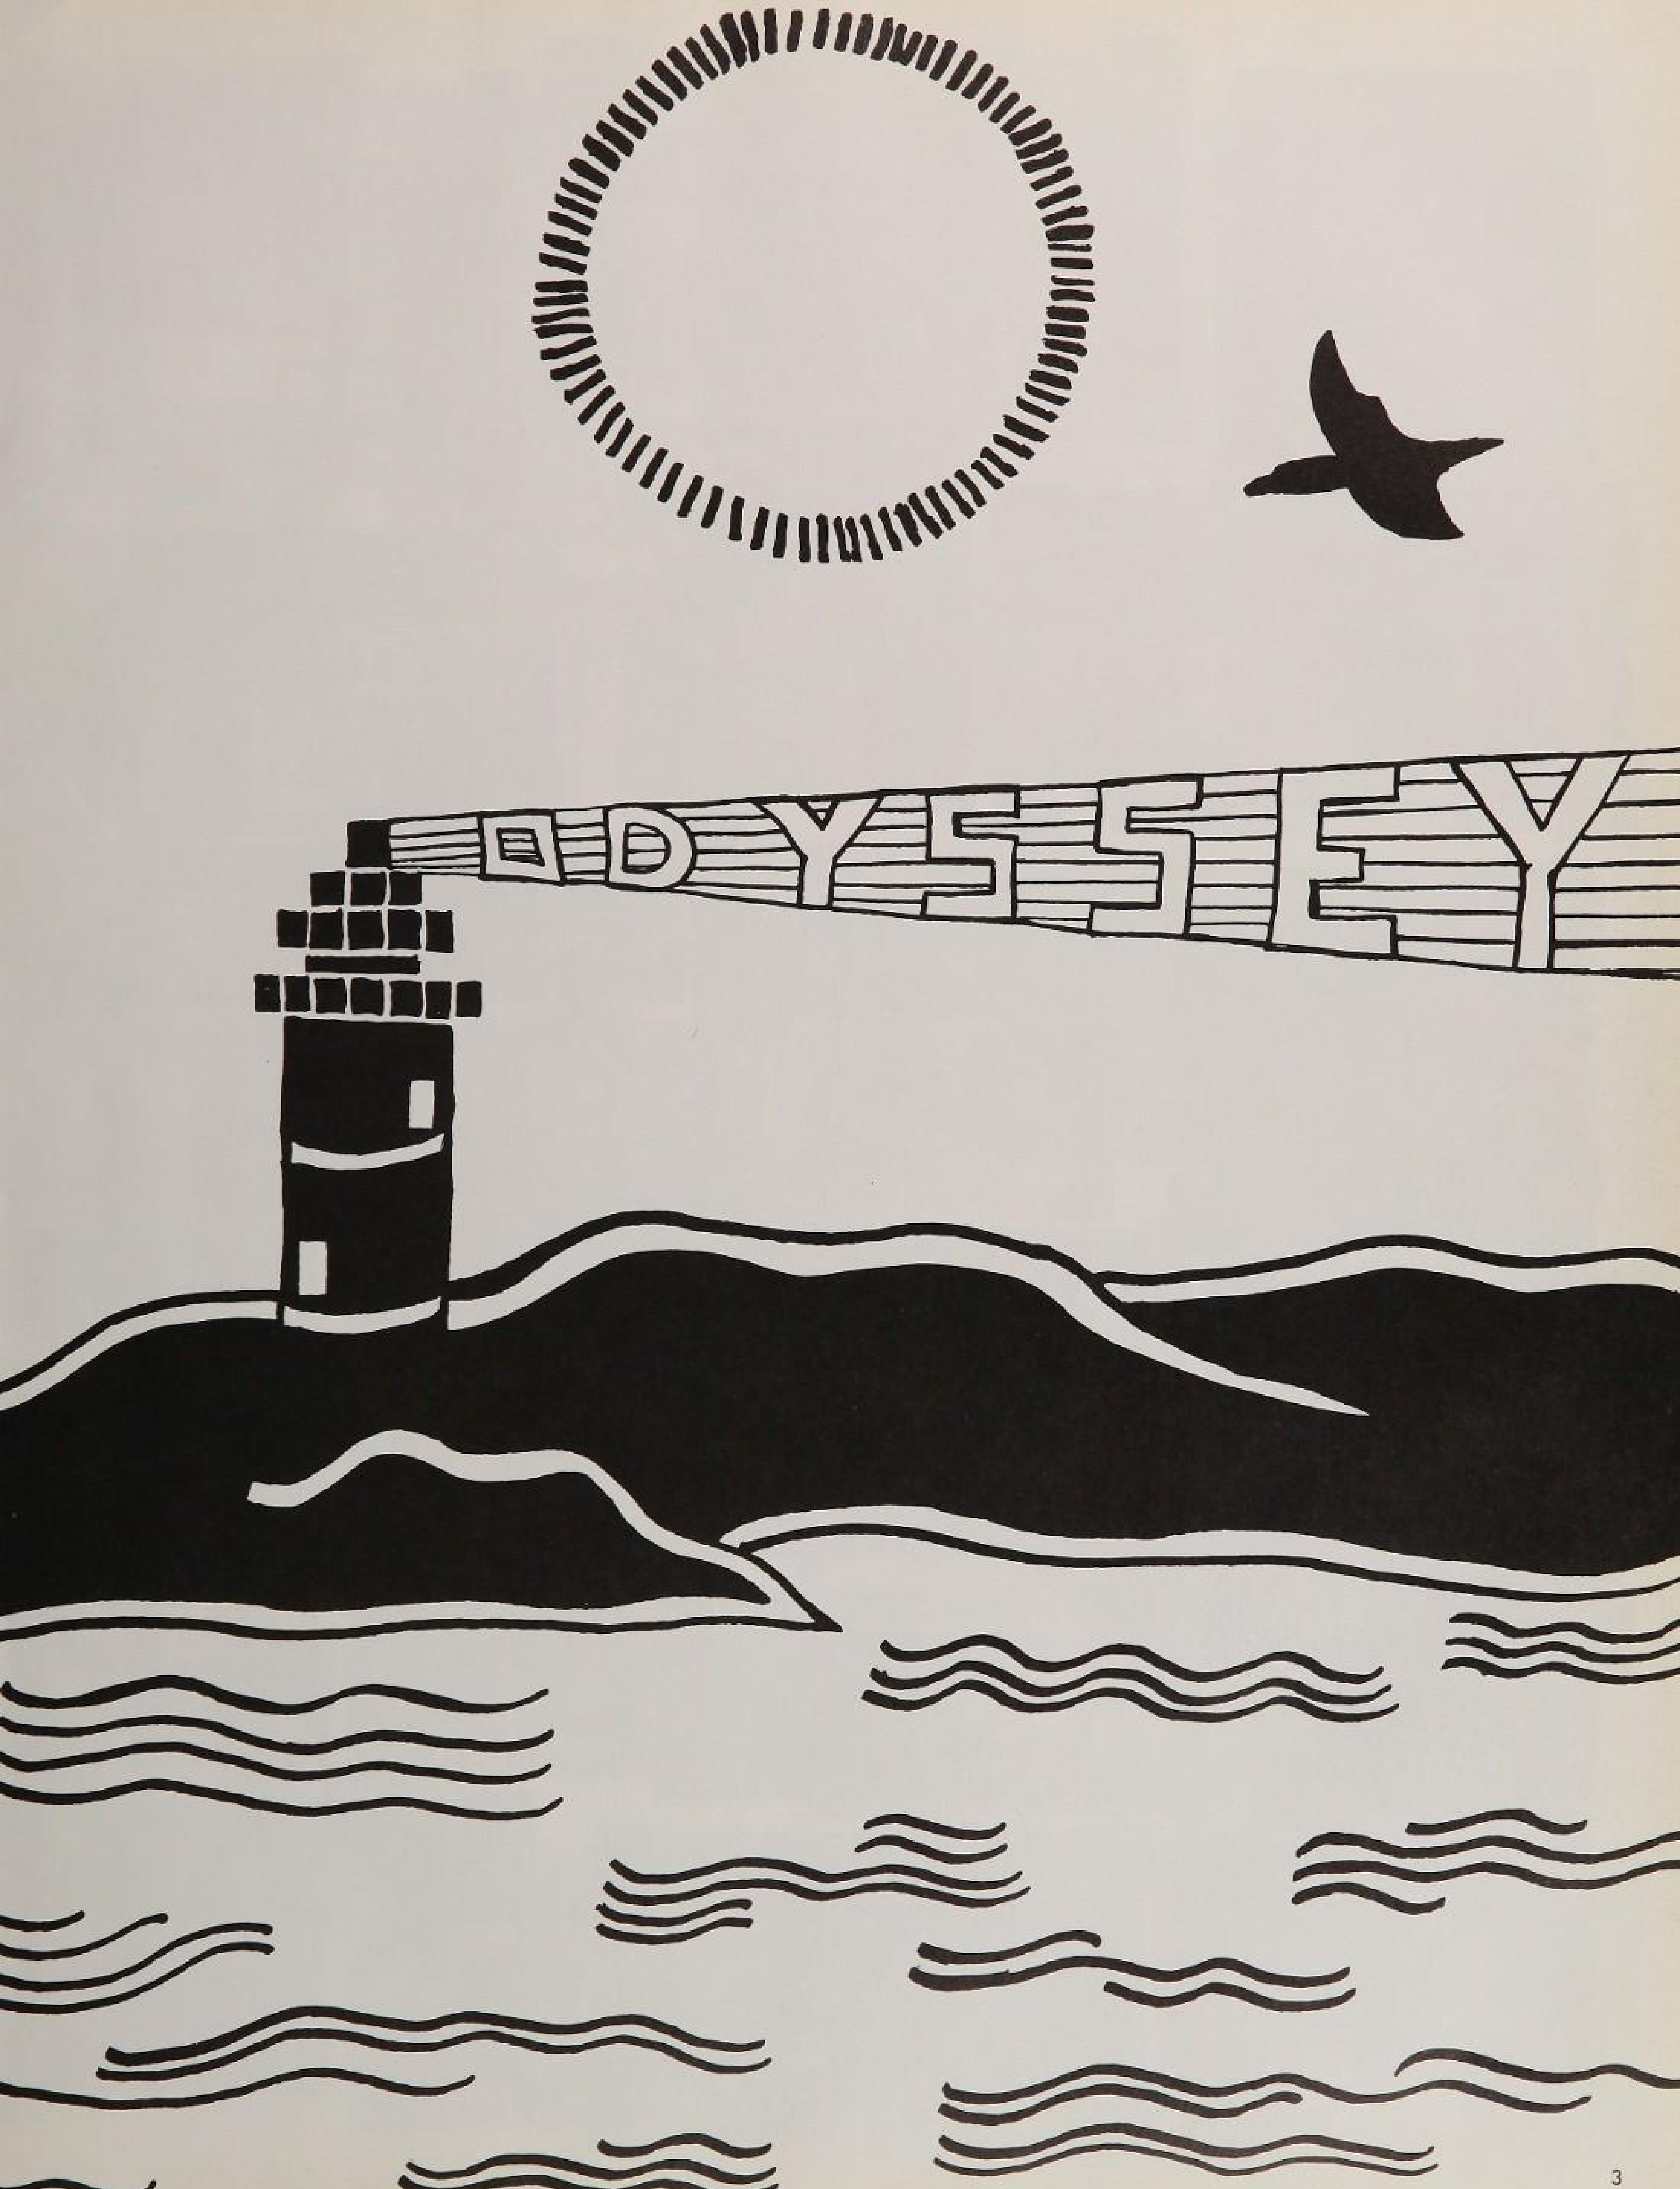

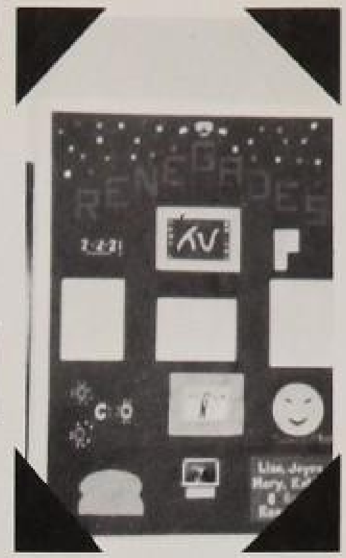

Almost alone...
Almost free...
Searching through the
Darkness .....

Soaring toward
the light . . .

Striving for
one's

ODYSSEY

Someone, a shining warmth behind a glowing smile, reaches out a hand to help us along the way — a friend.

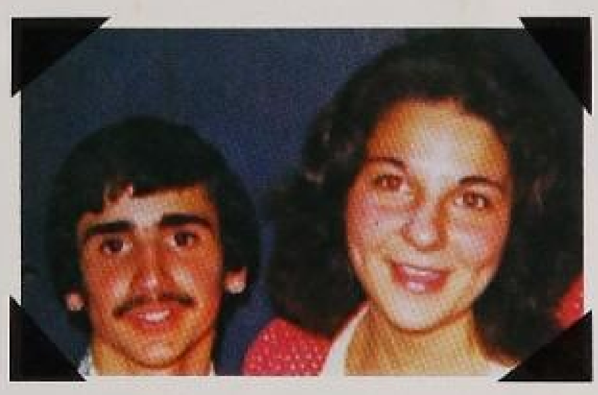

A funny thing, overwhelming, yet so very simple, blocks our way and we're touched — by love.

The good times and the bad we give to one another as a beautiful gift called memories — we share.

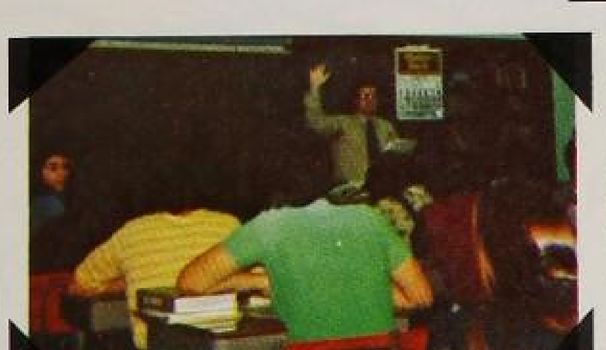

Because of loyal, trusting friends. In spite of the crushing realities of love. In memory of the moments we've shared — there's happiness.

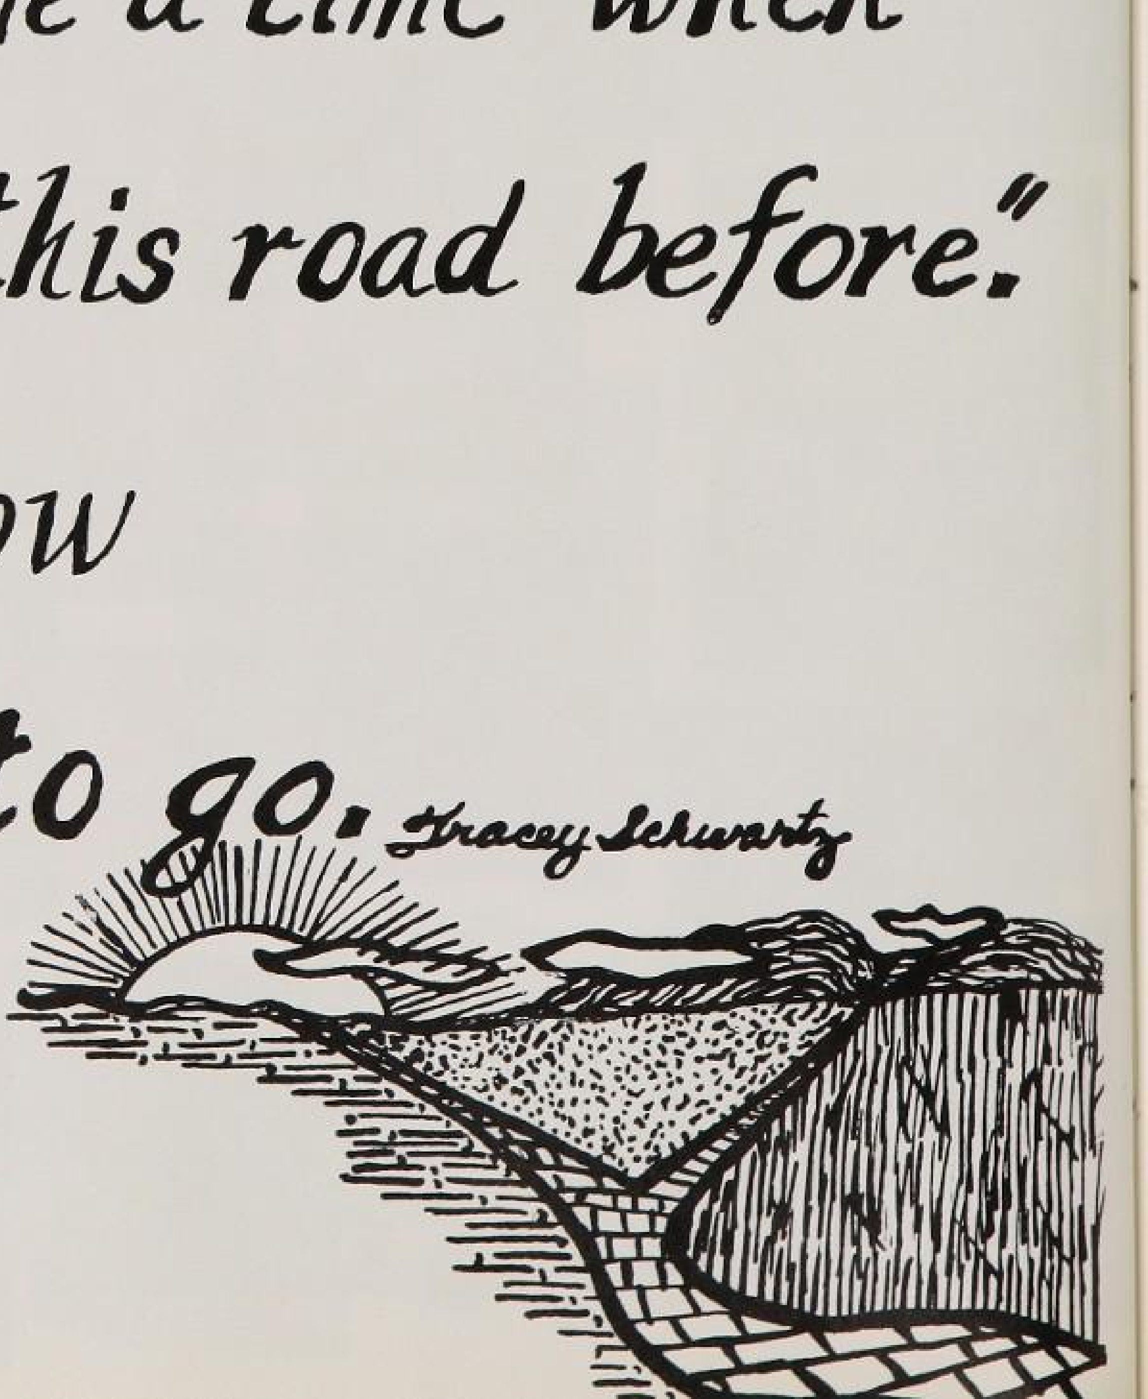

I often
Wonder where the other road would
have led me.
The one I passed
And will never come upon again.
But I have learned
by making my own decision,
And I know
that as I travel on my
continuous journey
There will come a time when
I will say,
"I have seen this road before."

And I will know

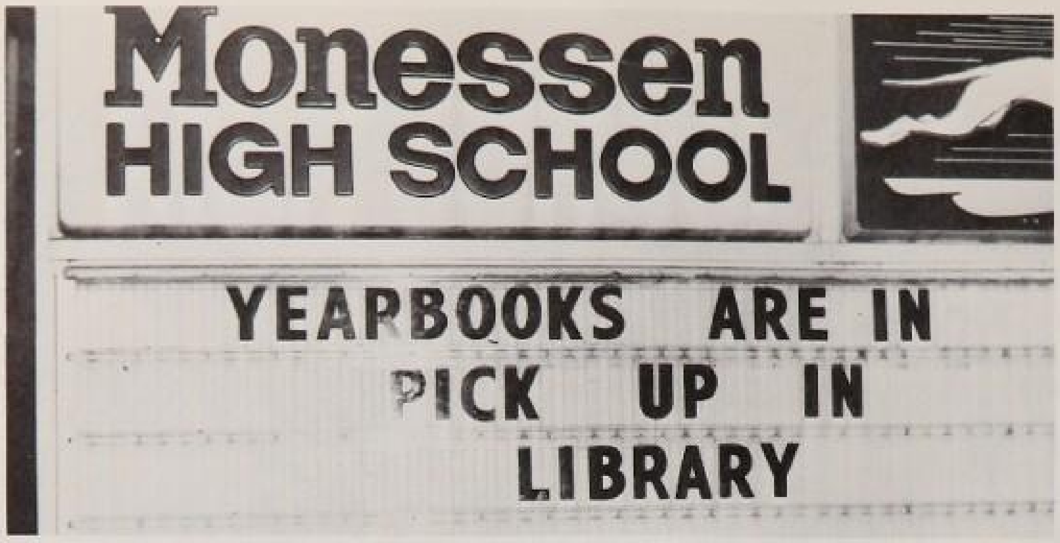

Which way to go.

Andy Yartin
"Tiger"

The crooked grin. The hearty laugh. The twinkling eyes that coaxed you into smiling. These were the beautiful things God gave him and he shared them with us. He touched many lives and each one benefited from his friendship. He witnessed the growing of young lives through his clear blue eyes. The young woman clutching at the wheel with sweating palms as she listened to a calm voice giving her instructions — In her he saw a confident driver. The young man, running laps on an empty field, respecting and hating the coach at the same time — In him he saw a future football player. We will remember him as we work and as we play — wishing he were here but knowing he's watching. He's watching and smiling and saying, "That's it Tiger."

Class Prophecy

The Class of '75 has finally made it, and, through it all, we have held our heads. Some of us did so because we were proud, and others of us so we wouldn't bump into any walls. But no matter how or what we did this year, we did it — though individuals — beautifully together.

Another year,
Another tear.
Some of us will laugh,
Some will cry.
For now we'll say we're done,
But look what's yet to come.

1. Melanie Murin her life will pass, at Spurky's Arco pumping gas.
2. Patti Schmidt, a friend to all, will be a princess attending a ball.
3. Fishing and hunting he does the best, Armand DeRose helps Euell Gibbons with the rest.
4. If anything is in need of repair, Jimmy Fowler will always be there.
5. Ten years from now, through the halls will ring, the voices of Mr. Habel and Michele Gnora still arguing.
6. If being a boy is such a joy, then why will Brad Karbowsky still be playing with toys.
7. After graduation, although he doesn't know, off to the army Ken Olexa will go.
8. If you're ever feeling sad and blue, Mauri Druash will comfort you.
9. If you see an ambulance coming your way, Mark Sellew may be saving the day.
10. If you ever are in need of a pair of jeans, call Francy McDormand by all means.
11. No need to worry about being swindled by crooks, if Ray Wattras is balancing your books.
12. It is just our imagination as we see, the famous singer Bob Guzensky will be.
13. If Dolly Marek isn't on the scene, she'll be writing a story for a big magazine.
14. If your symptoms ever need diagnosed, Gary Silko you'll need the most.
15. On Sunday afternoon while watching a game, you may one day hear Joe Como's name.
16. If ever in pain someday you may be, look to Frank Gaudio for a quick remedy.
17. The cast and crew of the Senior Class Play will more than likely be seen on famous Broadway.
18. In a few years we will see with surprise, Harry Stratigos the owner of Snacks Enterprise.
19. The Morniak family we may see rooting for Paul, while he's on the field in Pirate baseball.
20. Maybe we'll see Marian Mermigas in Greece, preaching her philosophy of love and peace.
21. Ronnie Vivio we will see for sure, owning his own Foodland Store.
22. Nikki Alatsis, the queen of 1975, will someday be Miss Universe and that's no jive.
23. Miss "Von" Foxx I know we will see, leading our class in psychiatry.
24. Since Sheila Hall's first love is band, we will see her giving Mr. D. a hand.
25. Nebra James will follow her course, and become a general in the U.S. Air Force.
26. About Mark Hall we will never know, 'cause he can't slow down, just go, go, go!
27. Lenny Ramasco may surprise us all. He'll continue to grow and be six feet tall.
28. Wayne Vlasic, if things get too fickle, may someday make his own Kosher Dill Pickle.
29. Gary Smith, you can never forget, will be shooting volleyballs over a net.
30. Kathy Zupan will still be going strong, knowing the words to each and every song.

The future of our friends, this story did tell.
And we hope the future lends,
we told it all well.
At our first reunion,
we surely will see,
Just how close predictions
really can be.

1975 CLASS SONG

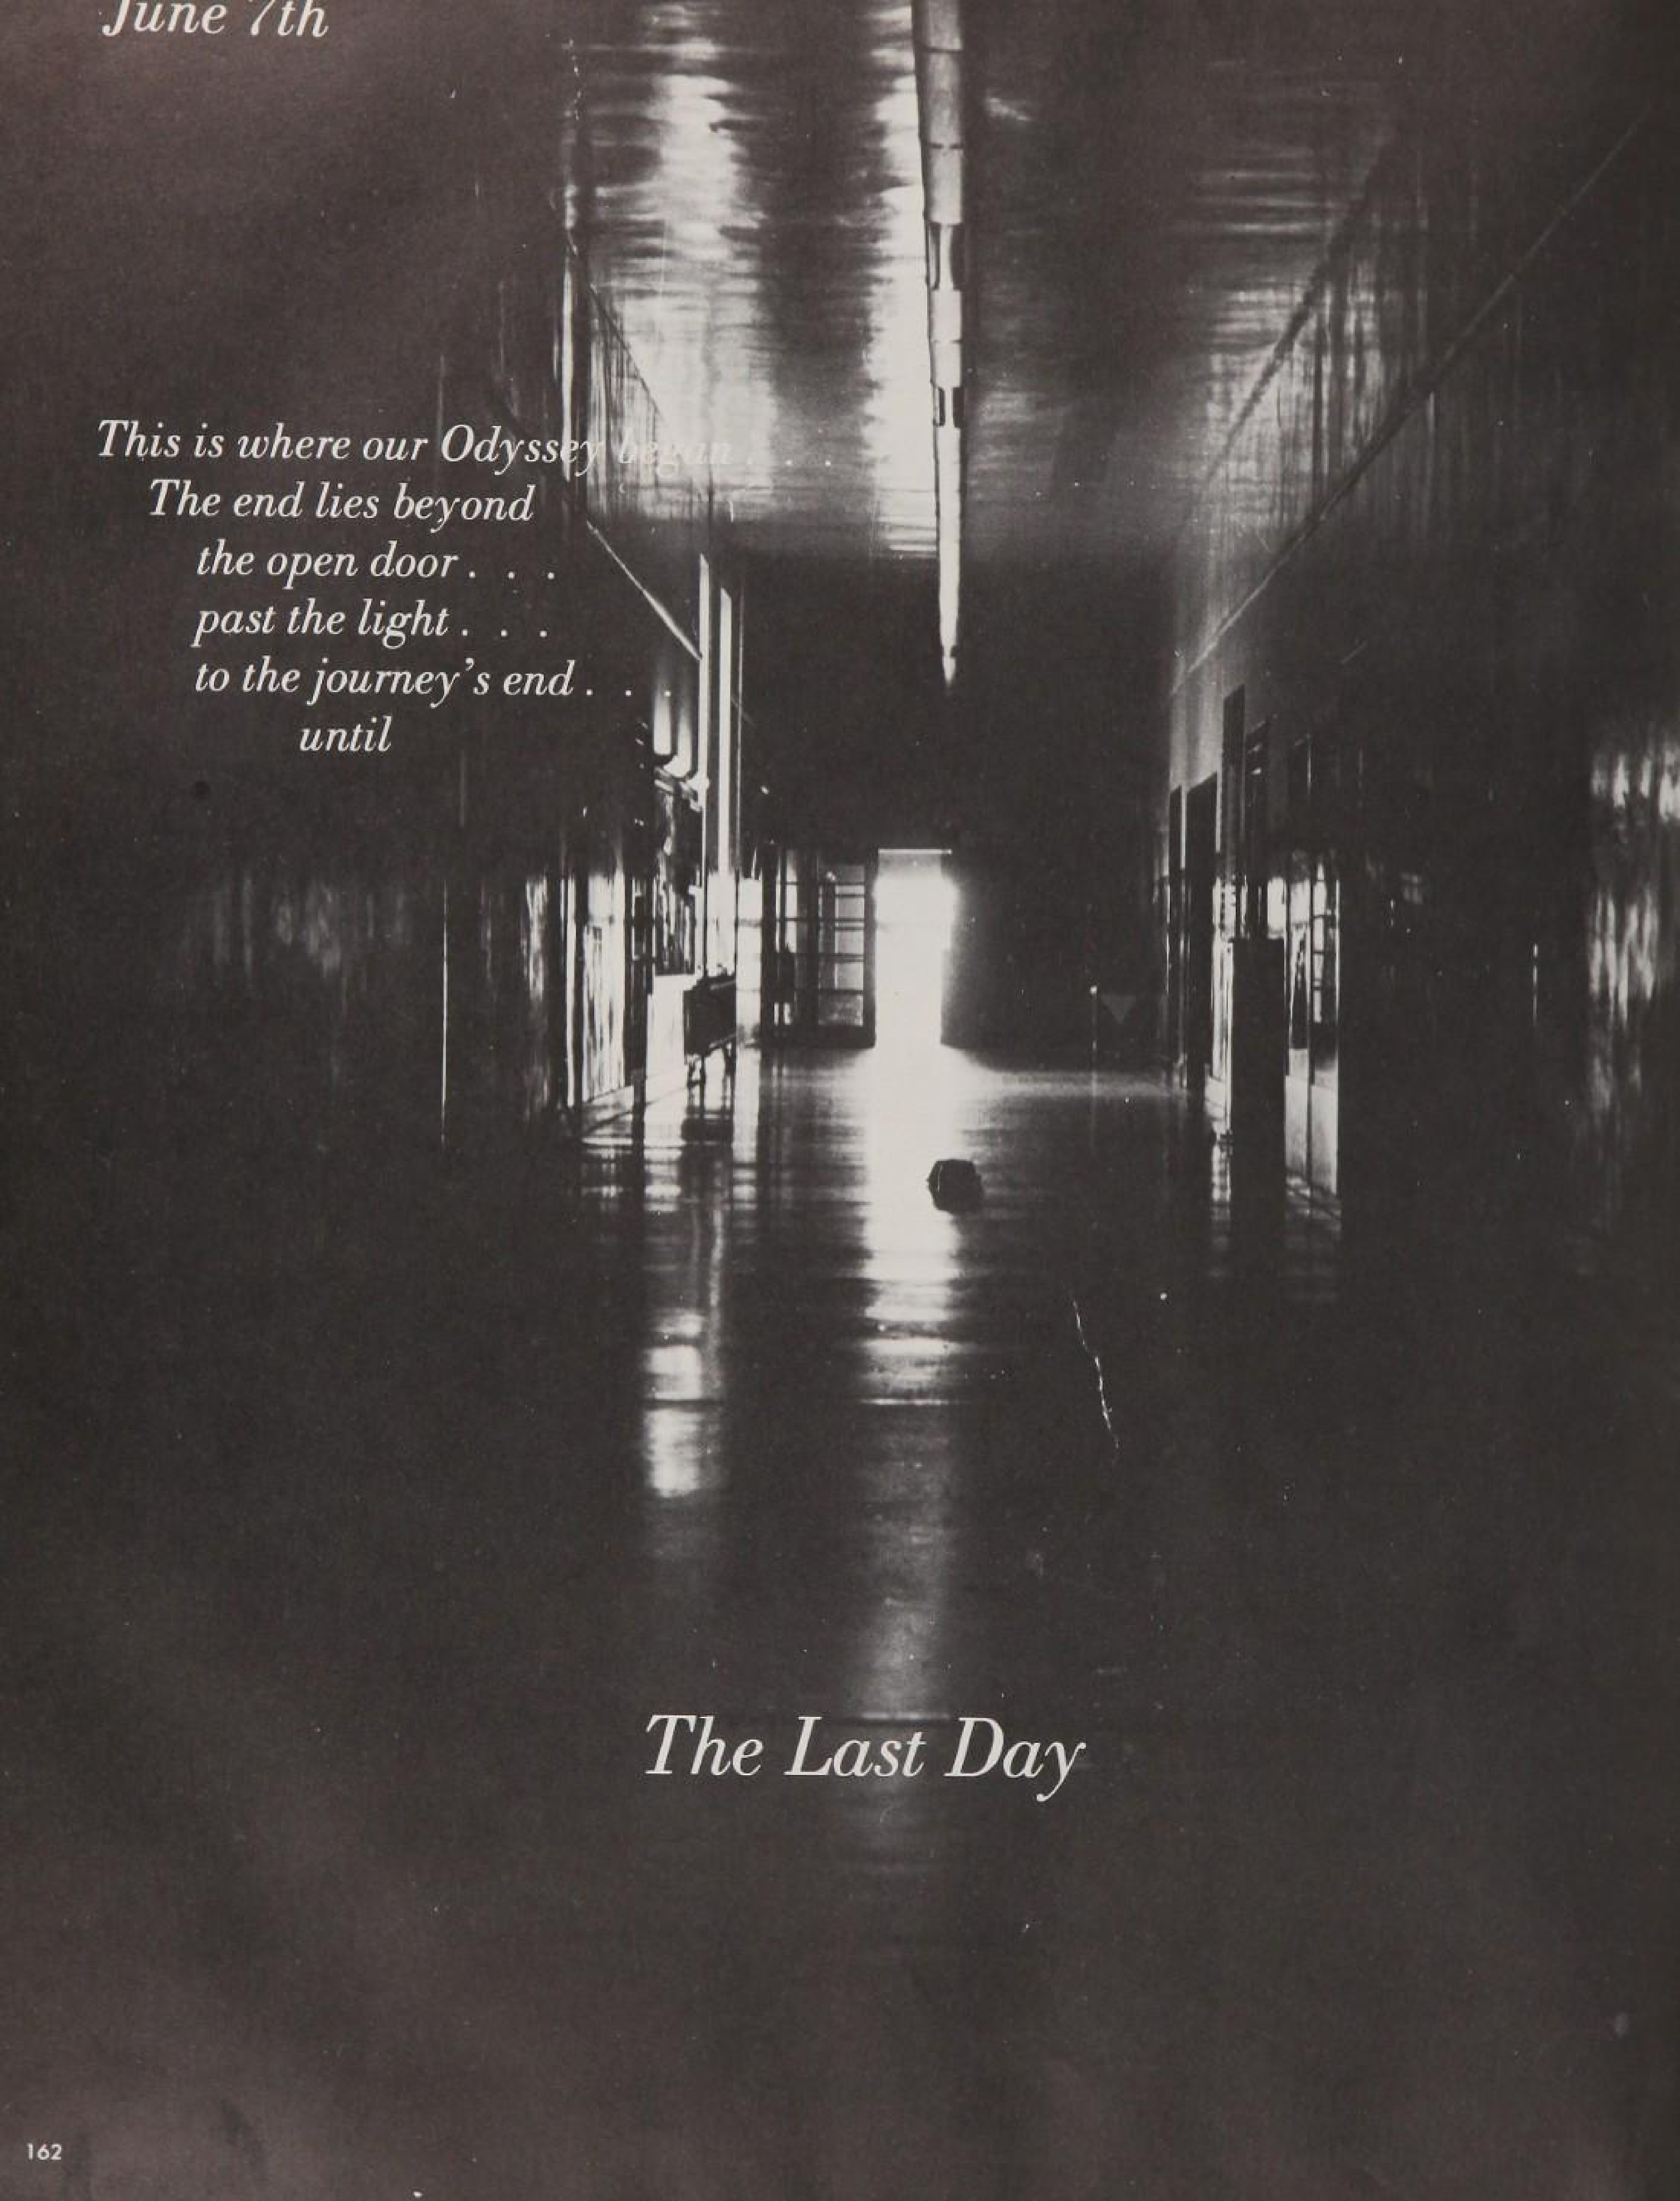

Tune: We Will Never Pass This Way Again

Life, so they say, is but a game and they let it drift away.
Life, like the autumn sun, should be dying, but it's only just begun
Like the twilight on the road up ahead, we can't see just where we're going.
But all the secrets in the universe, whisper in our ears.
All the years, we've had here, take us to — who knows where?
CHORUS: We will never pass this way again.
We will never pass this way again.
We will never pass this way again.
Like Columbus in the olden days, we must gather all our courage.
Cause all the secrets in the universe, whisper in our ears.
All the years, we've had here, take us to — who knows where?
CHORUS; Repeat as above.
So come on and laugh while the laughing is easy.
Or maybe cry because now we must go.
We will never pass this way again.
But my memories are with you.
Cause you've made me feel like I'm more than a friend.
Like I'm the journey and you're the journey's end.
We will never pass this way again.
I'm glad my memory's with you.

TIME DRAWS NEAR

Time draws near.
Eternity makes no promise.
The joys of yesterday soon
Become memories of today,
And the cherished memories of tomorrow.

Time runs out.
Eternity denies us.
Yesterday's joys are the
Memories of today,
And the cherished
memories of tomorrow.

Time lives on.
Eternity follows its own
path.
Yesterday's joys are now
Yesterday's memories,
And the cherished
memories of today.

Time surpasses.
Eternity is far beyond.
Yesterday's memories are
Now the cherished
memories,
Forgotten by all the new
world.
Except we.
